

24/7 NurseLine

Giving you and your family access to a registered nurse anytime

Your health is priceless. That is why it is so important for you to be able to connect to the resources and expert guidance you need to keep you safe and healthy — day or night.

24/7 NurseLine serves as your first line of defense for unexpected health issues. You can call a trained, registered nurse to decide what to do about a fever, give you allergy relief tips, or advise you where to go for care. A nurse is always available to help answer your questions.

We understand the need for care to be accessible. When you need guidance on how to protect your health, we are here to support you for any issue — big or small. For help, call 24/7 NurseLine at **the customer service number on your ID card.**

A registered nurse can also:

- Help you find doctors, hospitals, and specialists in your area.
- Give you referrals to LiveHealth Online, an option for care that allows you to have a video visit with a board-certified doctor.
- Enroll you in health management programs for certain health conditions.
- Remind you about scheduling important screenings and exams, including dental and vision checkups.
- Provide guidance during natural catastrophes and health outbreaks.
- Offer links to health-related educational videos or audio topics.

When you use 24/7 NurseLine, you also have access to Anthem's other health and wellness programs to help you achieve your personal wellness goals.
