Available services

Legacy Planning Resources from Securian Financial provide you with a variety of online information and resources to help with multiple aspects of legacy planning, including end-of-life and funeral planning, final arrangements, directives and survivor assistance.

After a claim is started, these additional services are available to beneficiaries by phone.

- **Funeral concierge:** Allows for coverage verification and direct payment to a funeral home so services can be provided before insurance payment is made
- **Express Assignment™:** Same-day funeral home assignment service reduces concern about paying funeral expenses by working with the funeral home or lending agency

There is no additional fee or enrollment for these resources. Just access the services you need, whenever you need them. Your spouse and insurance-eligible children can also use these resources, even if they're not covered under the insurance program.
